

Barbara Lerner Spectre

In the linked video Barbara Lerner Spectre, the jewish founding director of Paideia Stockholm, effectively calls for destruction of White European ethnic societies through multiculturalism. She mendaciously justifies her organization's evil efforts with Orwellian doublethink talk by saying without multiculturalism Europe "*will not survive*".

Europe will certainly NOT survive if it is flooded with the unlimited numbers of Third Worlders.

Transcript of video

NARRATOR: There are people in Sweden who support Israel and have a deep sense of the injustice of the present situation. It is these people who give hope to those who do believe that things will get better here.

One of them is Barbara Spectre, a former American who made Aliyah* and then ten years ago, with the help of the government of Sweden set up a non-denominational institute of Jewish learning with the Greek name of *Paideia*, here in Stockholm. She believes that the current wave of anti-Semitism in Sweden will pass. And that Jews have an important role to play in a country undergoing profound change.

SPECTRE: “I think there’s a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural, and I think we’re gonna be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the center of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive.”

* **Aliyah** (aliyah, “*ascent*”) is the immigration of Jews from the diaspora to the land of Israel (Eretz Yisrael). Also defined as “*the act of going up*” or as in progressing towards Jerusalem. It is one of the most basic tenets of Zionist ideology. The opposite action, emigration from Israel, is referred to as **yerida** (“*descent*”). The concept of Aliyah (return) to the Holy Land was first developed in Jewish history during the Babylonian exile. During the Jewish diaspora, Aliyah was developed as a national aspiration for the Jewish people, although it

was not usually fulfilled until the development of the Zionist movement in the late nineteenth century. Large-scale immigration to Palestine began in 1882. Since the establishment of the State of Israel in 1948, more than 3 million Jews from over 90 countries have ‘made Aliyah’ and arrived in Israel.

Barbara Lerner Spectre (born ca. 1942) is a US-born Jewess who is most noted for waging a racial campaign against Swedish people in

particular and European people in general through the promotion of Cultural Marxism and demographic genocide. She is a hardline Zionist and supports Jewish-racial chauvinism in occupied-Palestine, and is head of **Paideia** - The European Institute for Jewish Studies in Sweden, an organisation funded by the Swedish government and the **Wallenberg Foundation** to promote Jewish ideology. Through an organisation called **One Sweden**, which she heads, she promotes multiculturalism (cultural Marxism) against Europeans in their own homeland.

Although born in the United States, Spectre colonised Palestine (“*Israel*”) in 1967 where she worked at the **Shalom Hartman Institute** in Jerusalem, though she decided to invade Sweden in 1999, which she has been occupying ever since. Spectre is married to rabbi Philip Spectre, who was the official rabbi at the Great Synagogue in Stockholm and the Chief Rabbi in Sweden during the early 2000s.[1] Paideia itself has religious aspects and promotes Holocaustianity (literally “*Holocaust theology*”) into heresies targeted at infiltrating institutional Christianity.

Background

Lerner was born to Samuel “*Sam*” Lerner and Ida H Hoffman, both Jews, in either 1941 or 1942 at Wisconsin, United States. Her mother was born in 1907 at Kolorin, Poland and died in Jerusalem during 1998. [2] Both parents were “*longtime residents of Milwaukee and Madison*”. [3] Barbara Lerner was one of four children, including her brother Alan and sisters Joyce and Anne.[2] She attended **Camp Ramah** in Wisconsin during 1955, where she met future husband Philip P Spectre and his sister. Lerner married Spectre in 1962. She is known to have had three offspring with her husband; Levi “*Galia*” Spectre, Michal Lieberman and David Spectre. [2] Her offspring, along with her six grand-children (one of which is named Omni) all live under the Zionist regime in occupied Palestine. [4]

Paideiagate

Spectre gained infamy amongst European resistance activists across the world, [5] after she was exposed promoting cultural and demographic genocide against Europe in an interview with **IBA-News**, a Zionist media outlet in occupied Palestine. The interview was widely dispersed through YouTube and other social-media. The Zionists launched a campaign of damage limitation after the scandal went viral and many goyim began to awaken; the **Israeli Broadcasting Authority** have removed several popular videos from YouTube. The parody video “*Anti-Racist Hitler*” even quoted her showing what would happen if this was done to the Zionist regime.

“I think there’s a resurgence of anti-semitism because at this point in time Europe has not yet learned how to be multicultural, and I think we’re gonna be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the center of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive.”

— Barbara Lerner Spectre, IBA-News, 2010.[6]

It's a huge transformation for Europe to make. THEY are now going into a multicultural mode

"Jews will be resented because of OUR leading role.

"WE are going to be part of the throes of that transformation... which must take place"

Europe is not going to be the monolithic societies THEY once were in the last century. Jews are going to be at the center of that.

ZIONIST OVERLORD
Is it still a conspiracy theory?

Zionist hyper-ethnocentrism

Spectre is an open supporter of the Zionist State in Palestine and has made comments stating that some Jews need to live in diaspora in countries across the world, so they can act as an interconnected web, forming a fifth column to manipulate political and economic policy so these governments can be forced to follow Jewish racial interests and the foreign policy goals of Zionism.

“We need a Jewish community in Europe. Israel needs a Jewish community in Europe. Israel cannot exist, both economically and politically, without Europe. They are necessary advocates for Jewish issues.”

—Barbara Lerner Spectre,
Jewish Peoplehood and Identity, 2007. [7] [8]
