5 What a tremendous aid in understanding world events today.

By **timothy k. price** on December 25, 2013

This is a book that has to be read. Some people will protest and call it “*anti-simetic*” but this is not true.

A large tribe of people will deluge this site with protests against the book. Pay no attention to them. Read this book.

"What a tremendous aid in understanding world events today."

Of course. Like it or not, today is a reflection of yesterday. Isn't that why revisionist (real) history publishing was banned under the post 1917 judaic/communist incursion of Russia? Isn't that why the other side of the coin (the NSDAP view) of what's taught as WWII is never taught here in America even after 70+ years after the conflict?

5 Must read

By **john bebekon** March 2, 2013

One of the most informative books I have read. If you want a  
unsanitized version of events, then this is the book.

Louis Marschalko tells it like it happened, and is still happening  
today.

5 Truth Before It's Time

By **john thames** "*scholar1*" on February 25, 2013

Long before the Holocaust denying Institute for Historical  
Review appeared on the scene, Louis Marschalko, a Hungarian,  
wrote a definitive expose of the six million myth in the context of  
a book exposing world-wide Jewish conspiracy. Remember, the  
book was published in English in the late 1950's and got  
everything right long before its time. Although there are a few  
mangled quotations and slight errors of fact, Marschalko saw  
through the fog of propaganda long before organized revisionism  
appeared on the scene. It is a remarkable book - and one still  
worth reading if you can find it.

5 The Clearness of Marschalko.

By **Paul Wasa** on May 12, 2010

Mr. Marschalko does a good job in exposing the poisoning mind  
of the Jews worldwide.

He's very well documented and has a very clear insight on things  
gone by. He analyzes the 2nd World War regarding the Jews and  
draws the most logical conclusions.

A book not only worth of being read, but I should say " a must " for younger people, who know nothing about WWII but from Jewish books and Jewish propaganda films, most of them untrue or biased.

agreed... good read... goes hand in hand with a Greater Miracle of the Lost Ten Tribes Discovered and Fearless and Godly Pioneers for the Truth (which also gives a short bio. on Marshalko)... read it before you dismiss it.

4 Controversial, but interesting

By **S. Swink** on August 27, 2007

Louis Marschalko - a Hungarian nationalist - published this book in 1958. "*The World Conquerors*," surveys the worldwide advance of communism from a decidedly Catholic perspective. The author's argument is that communism is a worldwide movement, promoted everywhere by the same worldwide, transnational force.

In four chapters relating to WWII, "*The Real Victors of the Second World War*", "*Revenge is Ours*", "*New Purim and Nuremberg*", and "*What Has Become of Six Million Jews?*", Marschalko proves himself a one-man **Institute for Historical Review**.

In a book review published with permission from Granata Communications, below I give you yet another excellent summary of a classic:

Louis Marschalko's book, "*The World Conquerors*," first published in 1958, is more timely now than ever. It is one of those volumes whose prophecies lies in fulfillment.

Written by a Hungarian nationalist, it surveys the worldwide advance of communism as the unfolding of the scheme of the notorious "*Protocols of the Learned Elders of Zion*".

The book's thesis is expounded in its first chapter. Entitled "*The Oldest Nazism in the World*", Marschalko shows the bolshevism of the Old Testament. The Fuehrership of Moses laid the foundation for all that has come since.

Although not a study of organized religion, the author's side comments show astounding clarity. The Catholic perspective of Mr. Marschalko underlies his opposition to "*The World Conquerors*" he exposes: Christianity as the antithesis of Judaism, Protestantism as a reversion to the barbarism of the Old Testament, the ancient worship of the Golden Calf as the basis for emerging capitalism.

The rest of the book piles fact upon fact to make its case. The Jewish background of communism is thoroughly explored. Much of the

material is familiar. However, a very valuable survey of communism in South America is included. This reinforces the author's argument that communism is a worldwide movement, promoted everywhere by the same worldwide, transnational force.

Moving on, Marschalko examines the real nature of the German National Socialist regime. Its achievements are noted, as well as the real reasons for the war. Hitler's Germany had to be destroyed if the program of the "*Protocols*" were to be fulfilled.

The author provides much information on the persecution of the Germans in Poland at the time when such claims were almost universally dismissed as propaganda.

The section on World War II and its aftermath is astounding Revisionism ahead of its time. In four chapters, "*The Real Victors of the Second World War*", "*Revenge is Ours*", "*New Purim and Nuremberg*", and "*What Has Become of Six Million Jews?*", Marschalko proves himself a one-man **Institute for Historical Review**.

The Jewish staffing and orchestration of the **Nuremberg Trial**, the east-west collaboration in the hounding of "*war criminals*", the real fate of the fabled *Six Million*, the setting up of Jewish persecution as the moral standard of the post war era, all are devastatingly analyzed to show the vested interests at work.

Even the well-informed reader will be amazed at the cohesion and extent of the Jewish revenge which was taken post-1945 in Europe. Each of these chapters can and should be expanded into full length books. Until that happens, these four chapters may be taken as a primer on the subject.

The rest of the book covers the post war era of the Cold War up to the date of publication, 1958. The Jewish involvement in the atomic bomb treason, the Hungarian uprising of 1956 and the efforts of the Jewish media to cover up anti-communist exposures by Senator Joseph McCarthy and others confirm the blackout on truth by "*The World Conquerors*".

Particularly valuable is the voluminous evidence presented on the post-war Jewish control of the Soviet Union. Marschalko convincingly argues that the deportation of Western Russia's Jews ahead of the Nazi invasion created a second Iron Curtain. The Jews were concentrated in the Soviet arms production factories behind the Ural Mountains. This allowed them to retain a key grip on power while denuding the western provinces where Jews were never popular.

The **United Nations** is also exposed as a front for Jews. A voluminous list of Jews in key positions is appended. In reviewing the evidence, it is difficult to conclude anything other than that the shoe fits.

If there is no Jewish conspiracy at work, the world has been treated to amazing coincidence. A better explanation is that Louis Marschalko is right. His presentation is logically lucid and well documented. It is also easily read and easily understood. A short book of only 296 pages, it is hardly all-inclusive. But as a statement of the essential facts, it has stood the test of time. It summarizes the facts and points the student in the proper direction for further research.

### **Thought for the Day:**

*“There are persons, too, who see not the full extent of the evil which threatens them; they solace themselves with hopes that the enemy, if he succeed, will be merciful.”*

*“It is the madness of folly, to expect mercy from those who have refused to do justice; and even mercy, where conquest is the object, is only a trick of war; the cunning of the fox is as murderous as the violence of the wolf, and we ought to guard equally against both.”*

# About the Author

Louis Marschalkó

<http://en.metapedia.org/wiki/LouisMarschalko>

**Louis Marschalko** (September 11, 1903 — May 20, 1968) was a Hungarian nationalist writer and author of *The World Conquerors* (1958).

His father was a secondary school teacher, his mother a musician.

He started to work for nationalistic newspapers. He lived in Debrecen until 1936, when he moved to Budapest. He wrote the booklet *Who Betrayed Hungary in 1918-19*. The booklet was banned after 1945, as anti-judaic and anti-semitic, even though the author had no influence to the fact that over 90% of the betrayers and Bolsheviks were Jews. He opened the eyes of the Hungarian readers with that book, since

only few knew, that most the betrayers were Jews. Jews in Europe generally hide their Jewishness in the public.

He did not come home 1945, but had to remain in Munich, since otherwise the Bolshevists for sure had killed him. He wanted to emigrate to the USA, but having spent some months on Ellis Island in New York, the American immigration authorities refused his immigration application due to Jewish influences. He returned to Munich and worked as a simple worker, and wrote his books and articles at night.

Since Jews (Martin Himler and others) who betrayed Hungary and caused lot of suffering in Hungary, appeared after the Second World War in Europe as American officers in CIC uniforms, and gathered East-European patriots and delivered them to sure death under the Bolshevistic regime of their race-companions, wrote some scandalous smear books about Hungary and Hungarians, he wrote about the role of Jews in Hungary and in the world. (*Conquestors of the Country, Conquestors of the World*). He was also co-author of the book “*Accusing Gallows*” that described the tragic destiny of the last legal Hungarian administration. His book “*Conquestors of the World*” was published three times in the USA, but he did not receive any royalties.

He died in Munich, 1968. On his grave there are the words:

*“For God, our country and freedom, forever”.*

## [Inside dustcover]

The Second World War was said to have been waged for “*the rights of small nations,*” but the author, like countless other Hungarians, is literally “*on the run from Communism.*” He has been living in exile

since 1945 because of his anti-communist views, Although he was never a member of any party, the Communist regime of Hungary, with typical effrontery, demanded that the U.S.A. authorities “*hand Louis Marschalko over as a war criminal.*” A former special correspondent of two leading newspapers in pre-Communist Hungary, Marshalko is a brilliant novelist, playwright and poet and has many hundreds of articles to his credit. ***World Conquerors*** expresses some of the bitterness and contempt of millions of enslaved Europeans for the rulers of the “*victorious nations.*” It shows that by being urged to throw off the German yoke, the central European nations were tricked into becoming satellites of the Soviet.

***World Conquerors*** indicts the real war criminals. It gives horrifying glimpses of the agony behind the Iron Curtain and describes the plot to extend the slave system to the Western world. Thousands of copies of the Hungarian edition have been sold and this English translation is published to warn the West. It is written by one who is a firm friend of the English-speaking people but an implacable foe of their vacillating and corrupt governments.

# Introduction

For more than a century, under various pretexts, a battle has been waged for power over the nations. The exercise of power has become the supreme aim of many people. Bankers, politicians, clergymen, trade union leaders and Communist Party secretaries are all on the hunt for power. The storm troops of the dictatorships are no longer shouting the old Socialist slogans. They declare openly and trumpet brutally "*Power is what we want*". And the so-called Democratic parties, though trying to keep it a secret, have also in their hearts actually adopted the dictatorial battle-cry, "*Power is what we want*". Power, like possession of the magician's wand, has become their obsession in life and it does not matter how it is achieved, whether through Conservative or Labour parties or through the Christian churches.

The structure of modern society with its overpopulation has as a consequence developed the idolatry of power. The golden calf has been taken off its pedestal and has by now become a secondary emblem only. The gold, the wealth and all parts of the symbolic sacred animal of Capitalism can be apportioned, distributed or sold by anyone who has the power to do so, as if it were meat in a butcher's shop. The Church aims to attain power by controlling the human soul, the Marxist through the autocracy and omnipotence of material means, the banker by his gold or by holding in his hand the control of the Press, the Bolshevik by the sheer brutality of the tommy-gun. But all parties, groups, sects, democracies, dictatorships and churches have one thing in common: they all want power. And this is quite understandable, as power often appears to be absolute, more even than all the gold in Fort Knox. For if that gold were evenly distributed among all the people on earth the share per head would be so small that it would hardly be worth anything.

But power over empires, states, societies and continents is infinite. It can be distributed like the five loaves and two fishes apportioned by Christ. It secures ministerial posts, episcopal positions and benefits, senior ranks in the police force, party secretaryships as well as other major and minor offices. But only for those who are the followers of power or who belong to the organisation of the bosses holding power. Included are those belonging to the following the party leader, trade unions, boss, dictator or bankers; those who are members of some democratic union. Christian trade unions or, of course, any of the masonic lodges.

So it is quite understandable that in these days nearly every slogan and school of thought is directed at one thing only — the seizure of power. “*Let us pray*” say the churches, but behind their words it is not always Christ’s kingdom that is built, but the worldly power of some high priests engaged in double-entry book-keeping. “*Freedom*” shout the Communists to their bamboozled Party members and followers but as a background to this empty slogan loom the torture chamber, gaol [jail], detention camp and the gloomy hovels of Siberian slave-labourers. Here we find side by side the misery of exploitation and the power and wealth of the privileged Communist ruling classes. “*Democracy*” is the slogan proclaimed throughout the Western world, but it is well known that the voting system here does not represent the power of the people, but merely screens the mysterious influence and hidden rule exercised by secret cliques.

Behind these false facades is hidden the substance of the most satanic dream of the world conquerors — to become the masters of the whole world! How can this ambitious goal, the dream and aim of Caesars, dictators, bankers and trade union potentates ever since Ezra and Moses and through Alexander the Great to Stalin, be achieved? Conventional armies have become obsolete for furthering this purpose. The hydrogen bomb might wipe out both parties. Both parties can be attacked by rockets. Such a conquest is now impracticable, so the plan is to conquer the world by “*peaceful*”

means, such as by the cheque book, by Unesco [United Nations Educational, Scientific, and Cultural Organization], by re-education, by a new moral code and by peace-propaganda. From this idea Lenin developed and built up his diabolic strategic system to seize and expand power, and this system under the name of Bolshevism has proved until now to be irresistible everywhere where people were unaware of the details of this power-technique.

The supposedly cultured world failed to realise, however, that Lenin's Bolshevism was a component only, such as were also Marxism, Freemasonry and Capitalism itself. For there existed another more thorough, universal and gigantic scheme which had been working already for over a century and a half, its aim by now very nearly accomplished. On the basis of ancient doctrines this latter scheme was not going to conquer global power for any of the "*isms*", parties, sects, churches, professional organisations or social classes, but exclusively — for one nation only.

The plans for Lenin's system were to some degree rough and superficial. Their greater weakness was akin to that of a general who lets the enemy know in advance the point of attack and the strength of his forces and the tactics he intends to employ. Whereas, the other, the great fundamental plan, proved much more effective because, similarly to historically successful military operations, it has carefully guarded its secrets from outsiders and indeed often from initiated persons also. Its greatest asset was that it appeared much more general than, for example, the schemes of the trade union leaders limited to the class struggle, or the tactics of church leaders restricted to the spiritual level.

It was perfect and absolute Totalitarianism.

This planning, even to-day, does not attempt to capture global power by means of any particular movement or political system but through the simultaneous use of all creeds, churches, materialisms, political

doctrines and patterns of power. It wishes to get built into all positions, movements, churches, masonic lodges and trade unions. It wants to take possession of all key positions in the most opposing movements, in the churches, parties and trade unions. It desires to hold in its hand both Bolshevism and capitalism, materialism and idealism, to capture or hire spiritually all writers, artists, politicians and the mob. It aims at not being visible anywhere, but at being present everywhere and at directing and controlling everything. To divide and rule! To march detached but at a given moment to assault united.

Anybody now surveying the world and world affairs may well realise that this plan has already taken shape. The atomic fission of human society has achieved perfect success. Mankind is divided not only by the natural God-created races and nations. Even the nations are split up now. East and West Germany are divided, as are also North and South Korea. China, Indo-China and Trieste, are split up or separated while Europe is divided by the Iron Curtain. Populations are split up and divided into white and coloured persons, capitalists and Bolsheviks, employers and employees, moneyed classes and working classes, Catholics and Protestants, suppressors and suppressed, victors and vanquished. But, as we will see later, all this chaos, disorder and division is directed by the same iron will, by the same secret force acting according to the interest of the leaders of a single race of 15 million people. They are to be found behind the well-padded doors of world capitalism as well as behind the thick walls of the Kremlin. It is they who instigate enraged crowds to strike and demonstrate while at the same time giving wage rises and promoting inflation. They attack Christianity while acting simultaneously as trustees of the gold and other assets representing the earthly power of the churches "*whose kingdom is not of this world*". They are the atom scientists and the anti-atom humanists; they are the masters and the murderers of the Communist secret police, yet at the same time they condemn the murders of the nations in UNO [United Nations Organization]. They are the arch- enemy of patriotic ideals; they preach against the

sovereignty of states and against racial discrimination, while all the time representing a racial nationalism of a vehemence so far unknown to have ever reigned over the nations of the earth.

Our globe with all its Continents — either openly or secretly — is already dominated by this Jewish nationalism. By using certain methods this fact can be demonstrated just as the presence of atomic radiation can be demonstrated by the aid of a geiger counter. For instance, should any nation, state, press or politician, parliament or any other person commit any act not forbidden by law or by the moral code against another state, class or person, then in this sublime age of democracy everything is free and permitted without risk. But should anyone commit the same act against Jewry or even against one Jew, the Jews will wipe off from the face of the earth this offending entity, whether it be an individual or a great nation. This will be effected, if necessary, by the atomic bomb or by the victorious Red Army or by the aid of any of the “*democratic*” constitutions, perhaps by the use of terror prisons or the cheque book or tommy-gun.

Amongst many other things this invisible seizure of power owed its success to mis apprehension and oversight on the part of anti Jewish people during the last century. They regarded the Jew as an internationalist, which is not the real reason for opposing him. On the other hand, one could not justify his behaviour in destroying his fellow-men any the easier because his motives were based on race, creed, or birth, which, in fact, is what does motivate them. So we are convinced that it is our God-granted right and human duty to fight against the reign of terror exercised on a supernational level by a small fanatical nationalist minority which has subjugated the world and driven mankind far along the road to total extinction.

By the flash of the atomic bomb we should see at last that we are living in a false, dishonest, deceitful world-order, in a disorganised society on the eve of a universal catastrophe. This Satanic tribal nationalism holds world power in its grasp. It holds the hydrogen

bomb, and in its mad blindness could destroy the whole of the globe and, with it, humanity. Is all this a bad dream or a nightmare? To answer this question we must learn more about this tribal nationalism and its tactics. Then we shall see that the nightmare will resolve itself into reality and fact.

# Chapter Four

## Millionaire Bankers Back Bolsheviks

Before the First World War a certain picture postcard was freely sold in the Jewish shops of Russia, Lithuania and Poland. On this postcard a rabbi was shown holding *Torah* in one hand and in the other Nicholas II, the Czar of Russia, cartooned as a white pullet with the Romanoff crown on its head.

Under the picture the following text appeared in Hebrew:

*“Sa chaliphati sa temurati, sa kaporati.”*

This means:

*“This sacrificial animal shall be my absolution, it will be my substitute and expiatory offering.”*

The Hebrew text is actually part of the prayer called “*Kaporah*”.

The rituals relating to this sacrifice are contained in *Leviticus* (chap. xvi 15):

*“Then shall be kill the goat of the sin offering, that is for the people, and bring his blood within the veil, and do with that blood as be did with the blood of the bullock, and sprinkle it upon the mercy seat, and before the mercy seat.”*

Some rabbis opposed this doctrine. But wherever Cabbalists [Kabbalists] were living among Eastern Jewry, on the day of

atonement a white cockerel and a white pullet were usually sacrificed in lieu of the goat.

This postcard was thus an open invitation by Jewry to murder the Czar. Hatred against Czarism was already latent in consequence of the pogroms, but it was kept at boiling point by the Mosaic commandment:

*“... thou mayest not set a stranger over thee (as king) which is not thy brother.”*

When Bolshevism broke out the Czar and his family were murdered in Ekaterinburg. The Czar's murderers were Jacob Swerdlow, who became later the President of the Soviet Union, Jacob Jurovskij, Chajim Golocsikin and Peter Jernakow, all Jews.

[Page 49]

But all those who schemed for fifty years to bring about the disintegration and subjugation of Russia were Jews also. Fifty per cent of the members of the first Social Democratic Party of Russia, from which the Bolshevik Party was later formed, were Jews. The Polish Social Democratic Party was at first organised as the Jewish Democratic Party, and the situation was similar in Lithuania. Kerenski himself, who became the Prime Minister of the First Republic, was a Jew by birth.

The greatest Russian novelist, Dostioevsky, whose treatise about the Jews is, even to-day, kept carefully bidden away by the so-called Western “free” publishing houses, saw as early as 1887 that the scourge of Judah was poised over the head of the Russian people and that the red shadow of Bolshevism would descend over Holy Russia.

*“Their kingdom and their tyranny is coming,”* he wrote. *“The unlimited despotism of their ideology is now only beginning.”*

*Under this tyranny human kindness and neighbourliness as well as the longing for justice will fade away; all Christian and patriotic ideals will perish for ever!”*

Bolshevism won. And in the moment of its victory, the Jewish intellectuals, the young revolutionaries as well as those poverty-stricken Jews at the bottom of the capitalistic ladder, turned their faces towards Russia. Whether Bolsheviks or not, they were, nevertheless, as Jews becoming aware that those succeeding the Czarist regime were almost all Jews too.

A member of Hungarian middle-class Jewry, Laszlo Lakatos-Kellner, had greeted Lenin in a poem by writing:

THE NEW CHRIST HAS ARRIVED, LENIN! LENIN!

The official gazette of Hungarian Jewry *The Egyenloseg (Equality)* read mostly by well to do citizens, published the following in an article praising Trotsky (Bronstein):

*“Jewish intellect and knowledge, Jewish courage and love of peace saved Russia and perhaps the whole world. Never has world historical mission of Jewry shone so brightly as in Russia. Trotsky’s words prove that the Biblical and prophetic Jewish spirit of **Isaiah** and **Micah**, the great peace makers, with that of the **Talmudic Elders**, is inspiring the leaders of Russia to-day.”*

[Page 50]

The American banker, Jacob Schiff, the Kuhn Loeb banking house and American financiers supported the Bolsheviks from the very beginning with huge loans and innumerable large donations. These bankers knew the leaders of Russia just as well as they knew the prophecy of Amschel Mayer, the founder of the House of Rothschild. Over the Rothschild house in Frankfurt a red flag was displayed on a

shield. Jean Drault, the French writer, remembered old Amschel Mayer saying to customers in his shop:

*“One day this flag will rule the world!”*

Karl Marx, grandson of the rabbi of Trier, must have known this flag very well too. He, as well as anybody, was well aware that Jewish capitalism and Jewish Marxism are but two different forms of the same Judaism, of that same world-conquering nationalism. Rothschild’s red flag is just as cheerful and bracing a sight for Morgenthau as it is for Kaganovich.

While it is interesting to learn that Bolshevism adopted its red flag from a Jewish banker, it is also noteworthy that the Bolshevik revolutionary greeting, i.e., the raised clenched fist, is a symbol of Jewish origin too. The paper entitled *The Key to the Mystery*, on page 21 of the number dated August 7th, 1939, describes how, on the feast of Purim, held in commemoration of the slaying of 75,000 Gentiles, the Jews still greet each other — with a raised clenched fist.

But the Christian world still asks how could collusion be possible between two “*deadly*” enemies like Capitalism and Bolshevism?

This question was definitively answered in 1918 by the report of the **United Secret Service** (2nd Army Bureau) naming the persons who financed the Bolshevik revolution in 1916. Under Jewish pressure this report was destroyed by the State Department, but it was too late then. The Rev. Denis Fahey, Professor of Theology, in his book *The Mystical Body of Christ in the Modern World*, and Mgr. Jouin, in his work i.e., *Peril Judeo Maconnique*, both quote the complete report.

We here briefly refer to it but the full text is available. According to the American counter intelligence and news service, the following big American bankers gave money to Lenin and his comrades for the Bolshevik revolution:

Jacob Schiff, [Daniel] Guggenheim, Max Breitung, the banking house of Kuhn, Loeb and Co., the directors of which were at that time Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, and S. H. Hanauer. As the report remarks:

“*All Jews.*”

[Page 51]

The report quotes articles in the *Daily Forward*, the Bolshevik Jewish paper of New York, describing in detail how large sums of money in dollars were transferred to the Bolsheviks from the assets of the Westphalian-Rhineland Syndicate, a large Jewish business concern. How the Parisian Jewish banking house of Lazare Brothers, the Gunsbourg Bank of St. Petersburg with affiliations in Tokio and Paris, the London banking house of Speyer & Co., and the Nya Banken of Stockholm all sent money to the Bolsheviks.

The statement of the American military counter-espionage and intelligence service established the fact that Jacob Schiff gave twelve million dollars towards the financing of the Bolshevik revolution. As for the Parisian banking house of Lazare, they not only played a considerable role in the unleashing of the Second World War, but their former director Mr. [Frank] Altschul is to-day [1958] on the Board of Executives of Free Europe Inc., and is at present occupied with the reorganisation of Europe.

This peculiar ganging up, this conspiracy of Bolsheviks and bankers can only be plausibly explained by Jewish nationalism. Though the prostration of Russia, the land of pogroms, as well as the extermination of the Czar's family, were all criminal Bolshevik perpetrations; nevertheless in the eyes of Jewish nationalism these appeared to be the acts of Jews, the triumph of Jewry, the glorious

liberation struggle of religious irredentism. Absolute political power in Russia had fallen openly into the hands of Jewry.

At first, perhaps, Lenin's teachings were not fully understood by the Jewish masses. Nevertheless they saw that nearly all the leaders and rulers of the new Russian states system were descendants of Abraham. Lenin himself was Ulyanov formally only. His father was a member of the Russian lesser nobility. But his mother was the daughter of a German-Jew doctor called Berg. Lenin inherited his mania for destruction and his desperate lust for power from his mother; both characteristics being equally Judaistic. Victor Marsden, the English journalist who was engaged as a correspondent during the First World War in Russia, describes Lenin as follows:

*“Lenin, a Calmyc Jew, married to a Jewess, whose children spoke Yiddish.”*

Herbert Fitch, a Scotland Yard detective, who, in the guise of a valet penetrated the entourage of Lenin and reported him to be a “*typical Jew*”.

[Page 52]

The *Morning Post* at the same time published a list of the names, pseudonyms and racial origin of the founders of the Secret Government, together with its fifty most important key-functionaries. They were about ninety-eight per cent Jewish.

The *London Jewish Chronicle* of April 4th, 1919 boldly states:

*“The conceptions of Bolshevism are in harmony in most points with the ideas of Judaism.”*

Victor Marsden, the *Morning Post* reporter in Russia; states that among the 545 leading Bolshevik officials there were 477 Jews at the birth of Bolshevism.

But the point of view of Jewish nationalism was appreciably different. The Jews paid scant attention to the exterminated bishops, to the slain priests and to the starved or massacred Russian masses in their hundreds of thousands. They appreciated the Jewish success only.

The gruesome events in Russia surpass all imagination. Statistics compiled from the early days of Bolshevism and quoted also in the American *Congressional Records* confirm that during the first years:

28 Bishops and Archbishops

150,000 Police Officers

6,776 Priests

48,000 Gendarmes

6,765 Teachers

355,000 Intellectuals

8,500 Doctors

198,000 Workers

54,000 Army Officers

915,000 Peasants

260,000 Soldiers

... were murdered together with the Emperor and his family.

After considering these gruesome statistics one might expect that Jewry, which has been advertised in the Jewish-dominated press all over the world as a humanitarian people, would expel these Bolshevik Jews from its ranks with loathing and contempt. But World Jewry and its great organisations at the best remain silent. And in the meanwhile there is probably not a single country in the whole world where the Communist Party is not under the exclusive direction of Jews.

In Argentina as early as 1918, Solomon Haselman and his wife Julia Fitz began to organise Communism. The Argentine revolution broke out in January, 1919, and its victims in Buenos Aires alone included 800 dead and 4,000 injured. The leader of the revolt was Pedro Wald, alias Naleskovskij, and its Minister of War was Macaro Ziazin, both Eastern Jews. After the suppression of the revolt, other movements were organised by Jews. There were many Jews and Communists amongst the teachers and university professors. Siskin Aisenberg initiated Bolshevik education of the Argentine youth. Among Yiddish newspapers, Roiter Stern, Roiter Hilfe, Der Poer and Chivolt were all engaged in spreading dangerous Bolshevik propaganda.

The Chilean Bolshevik uprising of 1931 and the Uruguayan Bolshevik rebellion of 1932 were engineered and led by the descendants of the seed of Abraham almost exclusively.

When the short-lived Brazilian revolution was suppressed in 1935, it came to light that the actual leaders were all Jews with the exception of a nominal leader called Louis Carlos Perestes. The Braccor, an Eastern Jewish association, organised the dock workers, and the leader of this revolt known as Ewert was, in fact, called Harry Bergner. This uprising was directed from the Soviet Embassy of Montevideo by a Jewish leather merchant called Minikin. Amongst the leaders of this Brazilian uprising there were many members of the Organizacao Revolutionaria Israelila Brazor, and amongst others we mention the following names: Baruch Zell, Zatis Janovisai, Rubens Goldberg, Moyses Kava, Waldemar Roterburg, Abrahao Rosemberg, Nicolao Martinoff, Yayme Gandeisman, Moisi Lipes, Carlos Garfunkel, Waldemar Gutinik, Henrique Jvilaski, Jose Weiss, Armando Gusiman, Joseph Friedman, and so on.

Of the South American revolutions the Mexican one is particularly interesting for here again a Jewish millionaire leads the Bolsheviks.

The Dictator of the Mexican Bolshevik revolution, Plutarco Elias Calles, is the son of a Syrian Jew and an Indian woman. Calles is a freemason of the 33rd degree and his personal fortune amounts to eighty million pesos. His friend, Aron Saez, who played an important role as his lieutenant, and who had a fortune of forty million pesos, is a Jew as well. Their persecution of the Church resulted in 20,000 Catholic martyrs. Amongst these were 300 Roman Catholic priests and 200 devoted Catholic youth.

[Page 54]

But the American Bolshevik movement was the most typical and characteristic of all. In the U.S.A. the Communist Party was set up on September 1st, 1919, William Z. Foster being its first general secretary. The *Daily Worker*, the Communist New York daily, began its first publication about the same time. The bulk of the followers of the American Communist Party consisted almost entirely of those Jews who had emigrated to the United States from Russia, Poland and those countries lying to-day behind the Iron Curtain. The U.S.A. gave them everything a great and free democracy can give — security from pogroms, prosperity, often wealth and new homes as well as decent wages. Nevertheless, at the earliest opportunity they began to plot for the overthrow of American freedom and for the total subjugation of Washington's household.

The Communist movement originated from the union formed by the employees of the clothing industry. Even to-day this union is almost entirely in Jewish hands and their first question to a prospective new member is:

*“Do you speak Yiddish?”*

It is interesting to note that, as in Russia and Poland where the Marxist parties were organised by Jews, in America too the Jewish organisations became the champions of Communist principles. The

**Jewish Workers Club**, the **Jewish Workers Union**, the **ICOR** (a company for settlers), the **ARTEY** (Arbeiter Theater Yerband) and the **John Reed Club** for Jewish writers, were all Jewish and Communistic organisations. The number of Jewish radical and Communist papers as well as Jewish periodicals edited in the U.S.A. reached 600 by 1936, and as early as 1933 the total membership of the **Communist Party** was estimated by Earl Browder to be about 1,200,000. In the preparatory work of organising American Bolshevism, the **National Textile Workers Union** and the **Workers International Relief** played important roles. The leaders of both these great associations were Jews, Charles Steinmetz, Upton Sinclair, Helen Keller, Albert Einstein, Bishop William M. Brown.

The **International Labour Defence** was a very powerful organisation led by millionaires or by very wealthy lawyers, despite the fact that it was typically Communist. All these groups, unions and associations hoped to capture America for Bolshevism during the great economic crisis. When, in 1930, the Communists of New York tried to besiege the City Hall, the Communist papers reported with open enthusiasm:

*“The Jewish women were fighting like tigresses.”*  
(*Weltbolshevism*, page 265.)

All the above-mentioned associations belonged to the non-secret or exoteric Bolshevistic formations of America. None of these open types of Bolshevistic associations presented any real peril.

[Page 55]

Surely the American worker — be he either a descendant of an early settler from the Mayflower or of an eastern refugee — would never turn into a Communist. Consequently, soon after their party was established the American Bolsheviks tried to persuade American youth to join them and serve as the hard core of the world conquerors’ stormtroops. They knew only too well that it would be extremely

difficult to repeat in America the tricks employed in Russia. They were well aware that the American worker is neither Bolshevik nor Marxist. Therefore their aim was concentrated on American youth; they strove to gain the support of a deluded second generation. Therefore, well before Roosevelt came to power, they organised the **Young Communist League**, the **National Student League** (formed from the universities) and the **Young Pioneers** for children between eight and nine years of age. The undermining of America, of course, was not only brought about by the Communists.

There also existed more peaceful cover-associations and workers' unions which under the pretext of Marxism or socialism, really served the supranational aims of Jewish tribal nationalism. But the key positions even in those organisations which were not directly Jewish were captured by Jews. The **C.I.O.**, the largest labour organisation was under the leadership of Sidney Hillman, while the **American Federation of Labour** was founded by Samuel Gompers, an immigrant Jew from England.

After all these facts the reader will not be surprised that when Eugen Dennis was arrested on May 16th, 1950, the famous Jewish writer Albert Kahan commented as follows in *Jewish Life*, the monthly supplement of the New York Zionist paper *Freiheit*:

*“When, on May 15th, Eugen Oennis, the leader of the Communist Party, was sent to prison, a shadow fell on the life of every American Jewish man and woman.”*

Let us now have a look at Europe (omitting Russia), the old continent where chorales and psalms were composed and written, and where during the Christian Middle Ages, Jewry was confined to the ghetto.

In England, the Communist Party, though of negligible strength, is directed by Jews, as are also those organisations called anti-Fascist Leagues or Anti-War Movements, where we can find such names as:

[Page 56]

Lord Marley, Ivor Montagu, Hannen Swaffer, Gerald Barry, Bernhard Baron, Nathan Birch, Morris Isaacs and Harold Laski. The noble Lords, Baronets and Knights of Jewish descent have all suddenly taken sides with Bolshevism, which in Russia, allegedly, intends to destroy capitalism.

In France the control of Marxism is and was almost entirely in Jewish hands. Zay, Leon Blum, Denains, Zyrowszky, Mandel-Bloch and the rest, are leading the same revolutionary nationalism which ruined Holy Russia.

In England the Communist Party was represented in Parliament at one time by a Jew called [Phil] Piratin.

Those principally concerned in organising the **French Communist Party** were Henri Barbusse, Andre Gide, Romain Roland and Andre Malraux. In France, the Jews enjoy the benefits of the French petty Bourgeoisie, were dazzled by the powerful position of Jewry in Soviet Russia and hurried to join French Communist organisations. These carried on their activities under various cover names such as the “*International League against Anti-Semitism*” or the “*Cultural Association of Jewish Proletarians*”, etc. The Jewish-Communist organisation known as Gezerd can also be mentioned in this context.

The **Writers’ International Congress** held at Paris in 1935 was entirely Communistic. Here it became clear from the first that the authors who were the greatest exponents of the Jewish “*humanitarian*” spirit also fervently supported the masters of Russian Bolshevism. The signboard of this Congress displayed the word “*International*”, but it was in reality a great tribal gathering of nationalists dazzled by successes in Russia, the participants of which

came from various lands and spoke different languages but belonged to the same race.

In Belgium, a Jew called Charles Balthasar is the organiser of the Bolshevik Party. the mainstay of which is the association called the Gezerd.

In Sweden similar forces are working for Bolshevism. The Swedish Communist Party was supported by one of the greatest capitalists — Ivar Krueger, the match king, reports the paper *Der Weltbolshevism*, from information received from Swedish sources. The various publishing houses and lending libraries in the hands of Jews have also greatly helped to promote Bolshevism.

[Page 57]

Neither is the situation much different in Norway where Major Quisling, in the light of experience gained in Soviet Russia, started to organise an anti-Bolshevik national party, for he realised that the same people who destroyed Russia were preparing to annihilate Norway.

In Denmark, at this time, Jewish students as well as the Jewish professors Georg Brandes and Davidsohn of the University of Copenhagen directed Communist activities. Their main organisation is the Jewish culture association, the I.K.O.R. Axel Larsen, the Jewish administrative leader, confidently announced at a mass-meeting that:

*“The Danish Communist Party will not rest until it has succeeded in hanging all priests and gendarmes.”*

In 1932 the Bolsheviks in Switzerland called themselves left-wing Socialists. Leon Nicole was their leader and his assistant, a Russian Jew called Dicker, instigated the uprising of November 9th, 1932, which resulted in thirteen dead and 100 injured.

In Austria, Austro-Marxism is at work and it would be difficult to distinguish between its democratic and communistic shades of thought, although both are inspired by Jews. Friedrich Adler was, from the outset, the chief organiser. He was the first Secretary of the Second Internationale and also the murderer of Sturgh, the Austrian ex-Premier.

In Rumania, Anna Pauker-Rabinovich and other Jews were the champions of Bolshevism. It was they who forced the workers into a bloody railway strike. Their influence was quite terrifying in a corrupt and liberal government like that of Rumania. The paper *Weltbolshevism* concludes an article as follows:

*“It is noteworthy how strong the participation of Jewry is in the Communist movement. The most dangerous activities are observed in those areas where the great masses of Jews live.”* (Page 435.)

Czechoslovakia, the aircraft-carrier of the Soviet Union, was completely undermined by Communist organisations from the very beginning of her national independence. One of the Communist leaders was Slansky-Salzman. The Communist literature and control of all the organising activities are in the hands of Jews.

[Page 58]

In Bulgaria, the Communist movements were headed by Jews also. When two hundred officers and civilians fell victims to the plot against Sveta Nedelja, it came to light that the plot, organised by Dimitrov, was carried out by the Jews Jack and Prima Friedman.

In Greece, the papers *Avanti* and *El Tsoweno* are the official organs of the Communist Party, the latter being the organ of the Communist-Jewish association in Salonica as well.

And if one looks at the Far East, it is clear that here, too, the same bands are setting ablaze the fires of Bolshevism. The leaders of the Chinese Communist Party, Barodin and Crusenherg, were also of the seed of Abraham.

We have deliberately left Spain to the end, as Jewish organisations can be distinctly recognised in the **Spanish Civil War**, When the fight broke out, the leaders; Zamorra, Azara, Rosenberg and the notorious La Passionaria, whose real name was Dolores Ibauri, were all Jews too. And those who flooded into Spain from all sides to render more unbearable the bloody plight of the Spanish people, were all emissaries of the same racial nationalism already victorious over Russia. Ilja Ehrenburg, Bela Kun, Gero Erno, Zalka Mate, the leaders and members of the notorious Rakosi-Roth brigade, all belonged, almost without exception, to the emissaries of this deranged racial “*nazism*”.

When the hour strikes the mask falls! Christian churches and centuries-old art treasures go up in flames, drunken terrorists shoot at Christ’s cross and the same “*experts*” again expertly crucify priests as they had done in Russia before. They scuttle prison ships with anti-revolutionaries locked up in the hold, they shoot tens of thousands of captured Christian hostages in the bullfight arena. The dead bodies of one and a half million victims and martyrs cover the battlefield of a stricken Spain. Behind all the mass misery and behind the miners of Asturias looms the same mystic power that induced the Russian sailors to revolt at Kronstadt. While the “*Pink*” intellectuals begin to regard this blood-bath in the light of a Passion Play spectacle, progressive bankers provide it with gold and arms. ***Old Testament*** al “*nazism*” thereby paid back Ferdinand’s Catholic Spain for the expulsion of the Jews, and two decades later the American Jewish Congress had the impudence to declare that:

*“Up to the present day Jewry has not forgiven the Spanish nation for their expulsion.”*

It was fortunate that at that critical time there were heroic Spaniards on the spot and also European powers ready to send effective help. With the aid of the **German Condor Legion** and the **Italian Blue Arrow Division**, the Spanish people defeated these fanatics, thus proving emphatically that the Soviet revolution could likewise have been brought under control had Russia not been deserted in her hour of need by the European powers.

The massacres in Russia perpetrated by the Communists had a horrifying effect on the Christian world. But these crimes appeared as heroic, attractive feats in the eyes of Jewry. In their eyes one thing mattered only, i.e., that over a vast empire, over practically one-fifth of the globe, power was seized by their nationals. During the interventional war the English trade unions were brought into action by a "*hidden*" hand to hinder the campaign against Bolshevism. When Poland was overrun by Bolshevism, **Grand Orient Freemasonry** had, with the help of **Czechoslovak Freemasons**, prevented ammunition deliveries to the Poles. Eventually Hungary's last ammunition reserves were sent to the Vistula front and with this help Marshal Pilsudski won the **Battle of Warsaw**.

What interest had Western capitalist Jewry in the survival and spreading of Bolshevism? After all, the Western Jew is a capitalist. and Bolshevism proclaims the abolition of capitalism. The Western Jew consistently propagated all the various humanitarian slogans in the lodges, apparently ignoring that the whole system of Bolshevism was an outrage against humanity. The Western Jew appeared to remain faithful to his own religion while Bolshevism was proclaiming atheism. What, then, had Bolshevism in common with Western capitalism? How was it possible for Zionist organisations in New York to bail Bolshevism, and for Jacob H. Schiff to give it money?

Since then history has supplied us with the answer.

What Bolshevism and Capitalism have in common is the ghastly fact that both of them are equally Jewish.

The Western capitalist Jew saw no enemy of Capitalism in the Soviet leaders; he saw only Jews. He was able to excuse the Bolsheviks barbarities for they were committed mostly by Jews. According to the strangest beliefs of Jewish nationalism, the Jew is a superman! Jewry is a supernation. The Jew is at liberty to act as he pleases against other races. This is the teaching of *Torah* and *Talmud*. The Jew's standing is "*beyond good and evil*". In the beginning some Jews condemned Bolshevism for conventional reasons, but later they realised that the only thing to do was to remain silent about it since Bolshevism, too, was led by Jews.

[Page 60]

High Finance in the West was agreed on the maintenance of Jewish leadership in the Soviet Union, whatever the cost. Henry Ford's book *The International Jew* was published at this time, revealing in shocking disclosures how far the judaisation of American life had progressed. Though the Jewish boycott obliged Henry Ford to apologise for his book, he never denied the truth of its contents. After the First World War the Jewish question in America became more and more acute. Through the monopolisation of commerce and banking, the control of the turnover of public commodities, their despotic rule over the press and the poisoning of public education, the encroaching Jewish power began to threaten the American way of life.

The peril was foreseen earlier by great Americans such as Benjamin Franklin who, on one occasion, said:

*"There is a great danger for the United States of America, this great danger is the Jew."*

*“If they are not excluded from the United States by the Constitution, within less than 100 years they will stream into this country in such numbers they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded, within 200 years our children will be working in the fields to feed the Jews while they remain in the counting-house gleefully rubbing their hands.”*

It would make an interesting best-seller to describe how certain mysterious hands spirited, away his diary. It can be stated with certainty that at the time when the Bolshevik revolution broke out in Russia, American Jewry was already standing at the first stage of the great plan. During the operational attack to secure the first stage, the control over finance and the press was achieved and influence over public life firmly established. Jewish nationalism in the Western World clearly realised that, despite its ostensibly hostile ideology, Bolshevism must be kept alive, because the way to the second stage in America led by way of Bolshevism — the great Eastern ally — which would help to conquer America and to establish Jewish world power. It is understandable, therefore, that after the Russian revolution the leaders of the 217 American Zionist organisations decided to give every possible financial help to Bolshevism.

[Page 61]

*“Bolshevism will be devoured by the vermin!”*

Trotsky-Bronstein exclaims in distress. But American Jewish Capitalism took every care to sustain, rear and industrialise this world menace. So *“anti-capitalistic”* Bolshevism was soon supported by loans from Loeb, as well as by other long-term credits, by scientists, by contributions and by deliveries of arms. Those giving the money were no Bolsheviks. but they were Jews! They were the

representatives of a supranational racial solidarity. They gave substantial help to Bolshevism because they had the foresight to realise that if by any chance Bolshevism should collapse this would discredit the reliability of Jewish planning and leadership. Besides, this mishap would bring to light the massacres perpetrated by Jewry in the name of Bolshevism. So to prevent losing the subjected territories of Russia, regarded by now as an actually established part of the planned future Jewish world empire, Jewry gave Bolshevism every possible help. For the Christian nations Bolshevism represented an ideology. But for Jewry it was a Jewish national problem of superlative importance.

But the firm establishment of Bolshevism in Russia was not in it itself enough. To ensure its survival and development as a power it was necessary to weaken the European Christian peoples so that they would not be able to smother the Bolshevik Hydra later on. For Jewish tribal nationalism, the period of the peace conferences following the First World War meant yet one more triumph for dreams of Jewish world domination.

Wilson himself stated on his return home from the Peace Conference at Versailles:

*“There was a secret force at work in Europe which was untraceable.”*

At the **Versailles Peace Conference** the German delegation contained two Jews. Its advisors included Max Warburg, Dr. von Strauss, Oscar Oppenheimer, Dr. Jaffe, Deutsch, Brentano, Struck, Wassermann and Mendelsohn Bartholdi.

[Page 62]

During this period the Christian world failed to notice that the artificially deepened rifts dividing the nations, together with the

injustices promoted by the peace treaties, only served to further Jewish aspirations to world power. In starving Germany, rebellious Spartacus groups together with Socialist and Bolshevik revolutionaries, were splitting up society. Across the Rhine, new nationalisms emerge to fly at each other's throats. In the place of the Hapsburg Monarchy and the former Austro-Hungarian Empire, many small opposing nationalisms prepare to payoff old scores. While the fires of the Bolshevik revolution still smoulder in Italy, the new flames of the Fascist revolution begin to flare up.

Meanwhile, more to the East, due to the support of Jewish Finance, Bolshevism grows stronger and stronger so that the Jews of the Kremlin as well as those of the Loeb directorate, may well chant the credo of their nationalism over distracted Europe.

*“Our men are progressing rapidly in Paris, New York and Moscow. We are advancing towards the second stage of the battle. We have divided Christian Europe and from the soil of the injustice sown by us will spring the seeds of a new war. You will see that the seeds will bear fruit in the next twenty years,”*

As the great Lenin said:

*“The First World War gave us Russia, while the Second World War will hand Europe to us!”*

Oh, Europe, heartland of civilisation, do you not yet understand? Can you not perceive where Jewish national unity coupled with your own internal conflicts lead? Can you not see the abyss towards which you are being driven by forces imbued with the cruelty and purposefulness of a supranational people. Alas! There are so few who see it even now.

An unknown friar, Sziliczei-Varady Gyula, once wrote prophecies that were soon forgotten in a book called *From the Ghetto to the Throne*, and herein is Nemesis:

*“The Western Jew will equip an army of twenty million men in the East to destroy Christianity and human culture and to establish the Jewish world kingdom!”*
